A 3D architectural rendering of a modern living room. The room features a large, light-colored sectional sofa with several throw pillows in shades of beige and grey. In front of the sofa is a round, dark wood coffee table with a small potted plant and a green vase. A patterned rug with a black and white geometric design is placed under the coffee table. The room has a high ceiling with recessed lighting and a modern chandelier consisting of three concentric rings. Large windows are covered with dark grey curtains. In the background, a glass-enclosed dining area is visible, featuring a dining table and chairs. The floor is made of light-colored, polished stone tiles. The overall aesthetic is clean, minimalist, and contemporary.
